COVID-19 Vaccine Updates

February 19, 2021

Vaccination Sites

- There are over 700 vaccination sites available across Florida, including county health departments, retail pharmacy partners Publix, Walmart/Sam's Club and Southeastern Grocers (Winn-Dixie, Harveys and Fresco y Más) and community and faith-based vaccination sites.
 - Find vaccination sites by county or city and contact information for each location at FloridaHealthCOVID19.gov/Vaccines/Vaccine-Locator.

Faith-Based Vaccination Sites

- The Florida Department of Health (FDOH) and the Florida Division of Emergency Management continue to partner with faith-based organizations to host COVID-19 vaccination sites in underserved communities throughout the state.
- From January 3, 2021 – February 14, 2021:
 - 39,413 doses have been administered at faith-based vaccination sites in 16 counties.
 - Counties: Bay, Brevard, Broward, Duval, Escambia, Gadsden, Hillsborough, Leon, Manatee, Miami-Dade, Okaloosa, Orange, Osceola, Palm Beach, Pinellas and St. Lucie.

Statewide Preregistration System

- The state launched a statewide preregistration system for individuals 65 and older and frontline health care workers.
 - Individuals can preregister for vaccine appointments and be notified when appointments are available in their area by visiting MyVaccine.FL.gov.
 - Each county has a designated phone number that individuals can call and use to preregister if they do not have Internet access. A complete list of phone numbers by county is available on FDOH's [COVID-19 Vaccines in Florida webpage](#).
 - Webpage and phone menu options are available in English, Spanish and Haitian Creole.

Vaccine Allocations

- Total State Allocations (December 14, 2020 – February 28, 2021):
 - Dose 1: 3,210,930
 - Dose 2: 1,978,025
 - Total Doses: 5,188,955

Vaccination Data

- As of February 18, 2021:
 - 3,911,999 COVID-19 doses have been administered in Florida.
 - 2,617,774 individuals have been vaccinated for COVID-19 in Florida.
 - 43% of individuals 65 years of age and older have been vaccinated in Florida.

Vaccine Distribution Timeline

- Safe and effective vaccination is going to take time and is contingent on vaccine supply. The state is committed to providing each priority group and the general public with COVID-19 vaccines as supply becomes available.
- FDOH will continue to provide updates on individuals eligible to receive COVID-19 vaccines as more information and guidance becomes available.

COVID-19 Outreach

- In February 2021, FDOH's Office of Minority Health and Health Equity led an effort to distribute 1.5 million masks to entities throughout the state that serve disadvantaged and underserved communities.
- FDOH is partnering with the Florida Agricultural and Mechanical University to provide COVID-19 vaccine information, outreach, education and training to Black/African American Floridians primarily in North Florida and select counties in Central and South Florida in an effort to decrease vaccine hesitancy.
- FDOH is partnering with the public relations agency Golin to launch a statewide media campaign to educate the public, particularly individuals 65 years of age and older and minority populations, with information about COVID-19 and actions to promote completion of COVID-19 vaccination.

COVID-19 Scams

- Individuals who believe they have been victimized by a COVID-19 vaccination scam can report it to the Florida Office of the Attorney General at 1-866-9NO-SCAM or [online](#) or their local law enforcement agency.
