The Achieving a Better Life Experience (ABLE) Act allows individuals with disabilities to save money tax-free for a wide variety of future expenses – including transportation, housing, and education – while maintaining benefits, such as SSI and Medicaid.

ABLE United, Florida's qualified ABLE program, provides opportunities and can change the way you plan for short-term expenditures and establish long-term savings.

In this session, we'll discuss everything you need to know about ABLE accounts, how to enroll and manage an account – and, most importantly, how you can start achieving a better life experience through ABLE United.

### **SPEAKERS INCLUDE:**

**TARA DEBOER**, ABLE United Brand Ambassador
